

30-DAY LANGUAGE LEARNING CHALLENGE

Yep, learning a new language is challenging but it can also be fun, simple and effortless. Following the 30-day challenge will allow you to boost your language learning everyday. Why not have a go this summer?

PS. It's okay if you didn't manage today. Don't give up and try again tomorrow!

Learn 10 new words in your target language	Learn a new joke	Listen to a playlist in your target language	Try a new language learning app	Change your phone language settings for a day
Label items around the house	Teach a family member 7-10 new words	Write a shopping list in your target language	Watch a TV show with subtitles	Translate something
Can you still remember the words you've learnt on Day 1?	Discover your new fave artist!	Answer an online quiz in your target language	Write about your day	Teach a friend some new words
Watch a Youtube lesson, or vlog	Learn an idiom	Watch a movie with subtitles	Follow a recipe in your target language	Learn a poem or nursery rhyme
Learn a tongue twister	Message a friend in your target language	Read a short news article	Watch an interview in your target language	Look up the lyrics to a song
Take a mock language test online	Make a short self-introduction video	Listen to a podcast	Learn a song by your favourite band/ artist	Leave a voice message in your target language
